

INVADO[®]
doors

Invado is a Polish company with nearly twenty years of experience in the door frame joinery business. Our offer includes high quality internal doors – veneered, scaleboard, glass and technical doors, as well as frames and skirting boards. The manufacturer is distinguished by using patented Invado Technology, which involves veneering the door beyond the edges of the jamb.

Invado est une entreprise polonaise avec une expérience de presque vingt cinq ans dans le secteur de la menuiserie de porte. Elle possède dans son offre des portes intérieures de haute qualité – plaquées, en verre, techniques ainsi que des dormants et des plinthes de sol. Le fabricant se distingue par la Technologie Invado breveté établissant le raccord de placage hors bordure.

Invado è una società polacca che vanta di un'esperienza quasi venticinquennale nel settore delle porte. L'offerta comprende porte interne di alta qualità – rivestite, impiallacciate, in vetro, tecniche, infissi e battiscopa. Il produttore si distingue per la Tecnologia Invado brevettata, che consiste nell'impiallacciatura fuori dal bordo del battente.

A close-up, angled photograph of a wooden door handle and lock mechanism. The door is made of light-colored wood with horizontal slats. The handle is a modern, rectangular metal piece with a horizontal bar. Below it is a square metal lock plate with a keyhole. The background is a plain, light-colored wall.
